

WHOLESALE PRODUCT GUIDE

Bringing homemade cakes to the plate

Emma's Homemade Cakes is a passionate baking business, always striving for perfection. Everything produced is truly homemade and created using the very best ingredients. We use quality flours, sugars, Australian nuts, Dutch cocoa and fresh free range eggs, all chosen to deliver our extraordinary taste.

All Emma's cakes are baked specifically to your order, so your cakes arrive at your door within a day of baking. Emma prides herself on fresh, homemade products. One of our frequent and favourite comments from our customers is 'It tastes just like Nanna's'!

Allergen Warning

Please be advised that due to warnings on some raw ingredients used in our products, that there may be traces of nuts, peanuts, egg, soy or wheat products. Whilst we take care to follow the strict guidelines when making nut free or gluten free products, all of our products are made in same kitchen. Where wheat, nut and any other potential allergens are handled so cross contamination may occur, although we are careful to ensure this does not happen.

Storage

Biscuits: Store in an air tight jar away from direct sunlight

Muffins: Room temperature or refrigerated.

We recommend 10-25 second in the microwave before serving

Slices: 14 day shelf life if refrigerated, unrefrigerated will reduce shelf life slightly.

Tart/Large Cakes: Refrigerate between 3-5 degrees

Loaves & Scones: Can be refrigerated or sat in room temperature
